Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, The Wind on the Moon, Eric Linklater, 'I have often wondered what I would be when I grow up, but never, never, never did I expect to be a Kangaroo!' When the wind on the moon blew straight into Dinah and Dorinda's hearts it meant that they couldn't help but behave badly for a whole year. Transformed into kangaroos, they terrorise the sleepy town of Midmeddlecum with glee. But what they didn't count on was being locked in a zoo. Things get even stickier for the mischievous sisters when they learn their father has been imprisoned in a dungeon by Count Hulagu Bloot, the tyrant of Bombardy. Their poor father! Can they rescue him in time? It includes exclusive material: in the Backstory you can find out what life was like when this book was written and meet some more naughty children! Vintage Children's Classics is a twenty-first century classics list aimed at 8-12 year olds and the adults in their lives. You can discover timeless favourites from The Jungle Book and Alice's Adventures in Wonderland to modern classics such as The Boy in the Striped Pyjamas and The Curious Incident of the Dog in the Night-Time.
