Women's Health on the Internet

By Janet M. Coogan

Taylor & Francis Inc. Paperback. Book Condition: new. BRAND NEW, Women's Health on the Internet, Janet M. Coogan, Share the results of 45 years of front-line medical research! This valuable book covers varied organ pathology in a wide range of syndromes induced by viral infection and toxin exposure.

Enteroviral and Toxin Mediated Myalgic

Encephalomyelitis/Chronic Fatigue Syndrome and Other

Organ Pathologies discusses such lethal problems as

cardiomyopathy, liver failure, pancreatic cancer, brain

tumors, and renal disease, as well as the debilitating disorders

of myalgic encephalomyelitis/chronic fatigue syndrome and

other post-viral syndromes. This essential text is profusely

illustrated with photographs, photomicrographs, charts, EKGs,

X-rays, and graphic depictions of other medical test results.

With case studies of individual patients and whole families,

Enteroviral and Toxin Mediated Myalgic

Encephalomyelitis/Chronic Fatigue Syndrome and Other

Organ Pathologies brings you the benefit of seeing the patients

and their illnesses in the context of their lifestyles, work

histories, and family medical history. Not a retrospective

survey using medical records alone, this unique book is the

result of Dr. Richardson's more than 45 years doing research

with the prestigious Newcastle Research Group while engaged

in General Family Practice. The scope of this book includes: *

the complex relationship between...
