Brand New Book ***** Print on Demand *****.Excerpt from Protestants From France, in Their English Home The advent and settlement of the Refugees has always formed a part of history; of those who escaped from the dire persecutions in France, much has been written, and yet the subject is not exhausted. It is the object of this work to chronicle the lives and progress of the fugitives in England, the efforts which aided and the influences that guided their course, especially in relation to the English Church. To illustrate this connection, has been the leading theme of these pages, intended both for the student and general reader.
