*A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

Charles Scribner's Sons, NY, 1994. Hardcover. Book Condition: New. Dust Jacket Condition: New. 1st Edition. SIGNED by Ms D'Amato on the title page. She didn't inscribe it to anybody, just a full signature. The number line on the copyright page begins with 1. 258 page hardcover. "Chicago free-lance journalist/sleuth Cat Marsala is back, this time investigating the life-and-death drama of a big-city trauma center. In the old days, there were emergency rooms. In contemporary metropolises, there are trauma centers, where highly trained medical staffs use the latest in technology to treat the devastating wounds of inner-city gunfire and highway disaster. Cat takes the reader behind the scenes, into one of Chicago's most impressive trauma centers, to see from the inside how one really works. She expects to experience joy and sadness; she expects both to admire and question. She doesn't expect murder her first day on the job. In HARD CASE, Anthony award-winning author D'Amato brings together a powerful combination of character, suspense, and research in a compelling novel that is mystery writing at its best." New, unread copy: spine square and the book is perfect (pages white) with NO markings throughout. The dj has a TINY bit of rubbing and one TINY crease near lower edge of back else it's perfect, also, with no other flaws. NOT an ex-library, NOT a book club, NOT a remainder, dj NOT price-clipped (" \$20.00"). New in New dj. Signed by Author.
