Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Makers of American History: A Beginner s Book in the History of Our Country This little book is an effort to sketch the lives of some of the makers of American history in such a way as to present the strong points of their characters, and at the same time to narrate the main events in our history. It is believed that the book has a place in the schools in that it may be used in at least three different ways: as a primary history, as a supplement to a more formal school history, and as a supplementary reader. (1) As a primary history. It is universally conceded that the proper way to teach history to children is by means of biography, and for this purpose the book has been written. Children in the fourth, fifth and sixth grades of school should be given elementary work in United States history, and in our belief this book is adapted to these grades. In order that it may serve as a primary history, geography and review questions have been added at the end of each chapter. (2) As a supplement to a school history. Many of our best text-books, in narrating the chief events of United States history, for want of space do not give much biography or many incidents in the lives of the principal participants in our history. In connection with such books this volume may easily be used, and thus the teacher can bring vividly before the pupil s mind the makers, as well as the facts, of our history. (3) As a supplementary reader. The majority of the readers user! in our schools...
