*It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

They appear in the first pages of the Bible, sons of God who coupled with mere mortals before and after the Flood. They are the fallen angels and their children--the Nephilim--who are also the true builders of the pyramids and other great monuments of ancient history. The Truth Behind Myth In The Nephilim and the Pyramid of the Apocalypse, author Patrick Heron examines ancient texts from Genesis to the Book of Enoch to Revelations to once and for all establish the true identity of this mysterious, lost race of giant beings. Are they angels? Genetic monsters? Are they characters of fable and myth? Are they still among us? Within these pages the answers are finally revealed. Solving The Riddle Of The Pyramids The identity of the Nephilim firmly in hand, Patrick Heron takes his research deeper, using science and an examination of age-old prophecies to discover the true meaning of the pyramids. His astonishing findings address the importance of the pyramid shape and its diabolical aim to supplant the City of God. And last but not least, once the riddle of the pyramids is solved, its significance in helping to navigate the coming Apocalypse is fully illuminated. Patrick Heron was born in Dublin, Ireland in 1952, and has a B.S. and M.A. in Business Studies from Trinity College, Dublin. At the age of 24, he began his Christian walk following an epiphany he experienced while reading the Bible. In 1997, having recently become interested in Bible prophecy concerning the end times, Patrick published his best-selling book Apocalypse Soon. He currently resides in Dublin with his family and is not associated with any particular church or denomination.
