

The Secrets for Motivating, Educating, and Lifting the Spirit of African American Males

By Ernest H Johnson Ph D, Champions

iUniverse, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Unlike the media would have you believe, most black males find great value in education. They want to believe that they have a special gift and that they can make a difference in the world. The problem is that they have ill feelings about how society has deprived them of the most qualified teachers and the best ways to be engaged in their own education. As a consequence of repeatedly being marginalized, criticized, and put down by society and teachers, they do not feel motivated to attend school or to produce outstanding academic work. The Secrets for Motivating, Educating, and Lifting the Spirit of African American Males contains essays that center on how to help educators and parents to equip young black males with the drive necessary to craft fulfilling lives for themselves so they don't slip through the cracks in the educational system. Historically, we are still dealing with what happens to the image of Black people in the minds of white people. A book like this helps to make certain that the information teachers provide...
