Reviews

Definitely one of the better publication I have got possibly read. It really is writter in basic phrases and not difficult to understand. You wont sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).

New Holland Publishers Ltd, UK, 2003. Softcover. Book Condition: New. First Edition. Available Now. Book Description: This humorous book explodes the myth that a happy company is a productive one. It shows how to avoid the complacency and inefficiency that follow a sense of well-being and job security. Arguing that the feel-good factor actually makes a business more placid and less competitive, the author observes that stress at an unacceptable level has a vital role to play in a company's success. Full of inventive and imaginative ways to ensure that your colleagues perform to their full potential and that your work environment is bereft of comfort and languor, here is a complete strategy for creating and managing a more productive and profitable organization through the thoughtful creation of stress. Size: 19.7 x 13 x 0.7 cm. 96 pages. Multiple copies available this title. Quantity Available: 4. Shipped Weight: Under 500 grams. Category: Medicine & Health; Psychology & Psychiatry. ISBN: 1843305194. ISBN/EAN: 9781843305194. Inventory No: F239-1107.
