Harlequin, United States, 2013. Paperback. Book Condition: New. 165 x 104 mm. Language: English . Brand New Book. Can they both be right? Summer Delaney has turned over a new leaf. Now she's ready to step up and run her parents Kentucky camp--the place she loves most in the world. Too bad her parents aren't convinced of her dedication. In fact, they've hired someone else--someone with very conflicting ideas about how the camp should operate! A former marine, Rick Warren's approach is all about following orders. From the outset, it's clear that they don't see eye to eye. But there's an unexpected effect from all that clashing of wills. The heat of debate turns to steamy attraction--one they simply can't resist. Still, with the camp's future hanging in the balance, Summer must prove she's changed and can work with Rick to create a place kids will love--and a place where their love might have a chance.
