Barnabas Collins is a desperate man. In Cairo's great cemetery, the City of the Dead, an ancient tyrant is plotting his return from the grave, and Barnabas has been chosen to assist in his rebirth. When the city begins to burn, Barnabas is coerced into assisting his escape by murdering a young girl. But the reluctant vampire faces resistance from his conscience: a brilliant scientist by the name of Julia Hoffman. Faced with a difficult choice, Barnabas finds that whatever path he takes could result in the loss of his closest friend. A self-contained horror story with a sting in the tail, the Dark Shadows story continues in this hour-long audio drama, based on the classic ABC-TV series. Actors from the series reprise their various roles from across three centuries of Dark Shadows history in an all new story with specially composed music and cinematic sound design. Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
