Reviews

Very useful to any or all type of people. This is certainly for those who statte there was not a worth reading through. You can expect to like how the writer write this pdf.

(Dr. Rashawn Lang)

A HISTORY OF THE PIONEERS: THE FLORIDA KEYS VOLUME 1

Pineapple Press, United States, 2011. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. Today, on the Keys between Key West and the mainland, some 40,000 residents and thousands of visitors fish, swim, sail, and dive in the crystal clear waters off a tropical reef; relax in the sun and cooling trade wind breezes; and sleep in the air-conditioned comfort of their homes and hotel rooms. On these same islands, as short a time as 80 years ago, fewer than 300 inhabitants tried to eke out a living without benefit of electricity, running water, radios, or telephones. Tormented by clouds of voracious mosquitoes and no-see-ums, broiled by the tropical sun, they lived in thatched-roof homes regularly flattened by hurricane winds. Weeks would go by before some passing sailboat brought them news of the outside world or their relatives. The stories of these hardy pioneers and their predecessors, as far back as the Native Americans who lived on the Keys at least 1,000 years ago, are told, many for the first time, in this book. As vividly portrayed as if they were characters in a novel, these true-life inhabitants of the Florida Keys will capture your admiration as you share in the dreams and realities of their daily lives. Includes Don Diego, a Spanish-speaking native who led in shipwreck plundering in the early 18th century; Jacob Housman, an unscrupulous wrecking captain who amassed a fortune and lost it when Indians burned his town to the ground; Dr. Perrine, a scientist who was killed by Indians; the African Americans who made charcoal for the stoves of Key West; the indomitable Lily Bow, who eked out a living on remote Cudjoe Key.
