Createspace, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. That be you Jeremiah? Came the shout from the door of the small building that served as the Coburn trading post. The voice was that of a big man, his beard shaggy and unkempt showing traces of his breakfast, dripping with coffee. You come some long way from the mountains, them Crow warriors still after you? In this volume, number eleven, he takes part in the second expedition of John Charles Fremont, mapping out the Oregon Trail, which would become the thoroughfare of thousands and thousands of people going West to settle the new territory. Their adventures...
