Tantor Media, Inc, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 190 x 135 mm. Language: English . Brand New. In **A Time for Action**, Rafael Cruz presents a simple underlying message: For Christians, Jesus Christ should be the foundation of the lives they build, and they should be active in making a difference in the world around them. In practical terms, that means that we should strive for a free society that respects each of God s children; we should embrace the Judeo-Christian values of love, joy, and peace; and we should seek a relationship with the living God. It means that people of faith should actively participate in the political process in order to combat the debilitating and deceptive progressive mantra that there should be a separation of church and state. **A Time for Action** is the story of one man s quest for refuge from Cuban persecution to realizing the American dream. It is the story of this great nation that was founded on Judeo-Christian principles and why it has fallen from grace. It is a wake-up call to the faithful across the land to step up to the challenge of entering the public arena and taking on the forces at work to destroy the guiding principles that made this country great.
