Paperback. Book Condition: New. Paperback. 50 pages. Original poetry works by Rochelle Carr offers creative, and engaging poems that combine hearts, family, food, travel, romance, and a passion for life. The poetry is complimented with photos of Rochelles original fine art paintings. Dear Readers: I believe my poetry and fine art book speaks to a vast majority of people. It is simple, it is heartfelt, and it is easy to read. Follow Your Heart Poetry book is filled with beautiful things, life adventure and special moments shared with amazing human beings. The thought of my book living in libraries, museums, galleries, stores and electronic readers (near all my favorite poets, authors and artists) makes my heart sing! I am sharing my version of poetry with the world hoping to invoke (sweet or bittersweet) memories and life experiences that sit there inside us just below the surface. I am hopeful to encourage others to care for themselves and to follow their hearts. I had the good fortune of growing up part of a large Italian and French family in the Pacific Northwest. My passion for art and my sense that the world has much to teach us through living life outside our own backyards has provided me the opportunity to experience many countries and cultures around the globe. Combining my love of family, friends, children, food, reality sprinkled with magic, adventure, laughter and color. . . I paint the world a beautiful place filled with hope, compassion, kindness, love, and a (pay it forward) life message for everyone to enjoy. Thank you. Adventure lies not in the places we seek, but in the moments we create in the places we treasure. -- RMC This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN.
