I DIED LAST NIGHT

Start2finish Books, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.Where would your soul be if you died right now? Chances are, it's not what you think. This is a fictional story of a leader in a conservative church as he takes his journey into eternity. Bible teaching, writings from early Christians and true events form the foundation of this story. But this book is more about your affection than your direction, because what you think will determine your journey in the afterlife. This book has changed me forever! Each chapter scared me even more than the last. Now I mourn for all those in my past and I pray that I will never miss another soul. - Pat (a Bible teacher) Don't read this book before you go to sleep at night - Larry (a Christian leader) It scared the Hell out of me, literally. It has caused me to take a second look at who I am and what I love the most. - Dennis (a former missionary in Africa).
