The germ is life; impossible to find life Germs without germs or germs without life, and the germ is simply a transformation of form of life; if the intelligence within the body is surrounded with suggestions of health, forcing it to perform its functions in a natural and proper way, it will make the correct transformation which is known as health; but if the rhythm of its work is interfered with, it will make mal-transformations which are recognized as germs of this, that, and the other disease. The removing of the germ is of no consequence, inasmuch as the intelligence (mind) Remove still builds more germs. Remove the cause, the cause allow the intelligence that built to rebuild correctly, and the specific germs will disappear. Killing the...
