### ***Reviews***

*This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

An inclusive charge of 6d. was proposed, and by 1857 had been universally adopted. Cheap rates for books were introduced at the same time. But in 1861 a reaction set in. The authorities became alarmed at the loss on the packet service, the cost of which, they held, should be covered by the postage. Accordingly in 1862 the postage to the Cape and the West Indies was raised to is. the half-ounce, and a similar increase took place in other cases. In 1874 the great international Federation of Post Offices, known as the Postal Union, was founded; and during the next few years most of the British Colonies, with the exception of those in Australasia and South Africa, became members of the Union. A reduction of postage was the result of this measure. Within a short time the rate per half-ounce to and from Canada and Newfoundland became 2 Ad., to and from India and the Eastern Colonies 5d., and to and from the Cape and Australia 6d. At last in 1891 uniformity of postage was again secured, the rate of 2 d. the half-ounce being applied to letters sent from the United Kingdom to any other part of the Empire. Seven years later came a further change. At a conference held in London in the autumn of 1898 between representatives of the Home Government and the Colonies it was determined to adopt, as far as practicable, the rate of...
