Nirbhaya

By Kusum Chopra

Vitasta Publishing Pvt. Ltd., New Delhi, India, 2015. Softcover. Book Condition: New. In a culture described as 'punctuated by question marks', what is the role of women? Is she a meal ticket? A punching bag? A caretaker for old parents, offspring etc.? A business deal maker? The working partner ? The third wheel? Or a person in her own rightholding on to her space, her identity while countering intimidation? Kusum Chopra's hitherto untold stories, tongue-in-cheek or serious, offer insights into the functioning of women's minds: Of different approaches to life after a divorce; Of the greedy exploitation of the widows of Kargil's martyrs; Of a sister fighting for inheritance to protect her mother from her brother; Of a burnt bride fighting her way back to life and emotional freedom; Of a simple village woman protecting her aged in-laws from the greed of her husband and his new wife; Of widows grasping at their slices of life. And why not? Of a challenge to Pati Parmeshwar's right to select surrogates! The stories are of women surviving their ordeals to move on in life. Printed Pages: 284.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Otis Wisoky**

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
