Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Hints From a Practical Farmer: To the Settlers on the Projects of the United States Reclamation Service The advancement of the interests of the farmers in any country depends upon the adoption and the application of the principles of the formulae - better business, better farming, and better living. I put the formulae in the order of their ranking importance. We are investing millions of dollars in teaching the science of better farming; we are seeking the means of better living for the farmer, but to realize the benefits of better farming and better living we must be religious in our efforts to instill in the minds of the American farmers the necessity for and the means of acquiring and applying the principles of better business. The science of better farming and the plans for better living will not avail unless the foundation - better business - is carefully ingrained in our scheme of agriculture. Before the days of our excellent transportation facilities each farming community could control its markets and general business by the...
